Letter From Los Angeles, Cal.

Los Angeles, Cal., Sept. 2
Editor Record-Press:—I have
thought many times of writing and
giving you a sketch of Los Angeles,
California, though I can't do it
justice. I can say, however, it is
one of the healthiest and loveliest
places in the world. It is the gar-
den spot of the world. We can
raise garden products all the year
round. The grass is always green
and the flowers bloom all the time.
We have no rain except during the
winter season. The days are warm
from about 2 o'clock until about 5
in the evening, then it is cool and
one can sleep nicely—a great im-
provement on Kentucky. I like old
Kentucky, but don't think I should
care to ever make it my home again.
I have relatives there that I should
like to visit—my father, Stanton
Pierce, my brothers, Judge Pierce,
Ahart Pierce and George Pierce.
I have also other friends there I
should like to see, but I hardly
expect to ever visit Kentucky, for I
am getting old, but I often think
of my dear friends and relatives there
and live in hope of seeing them some
time in the future.

Mrs. Mary Ralston.

TO THE VOTERS OF CRITTENDEN AND LIVINGSTON COUNTIES

In accepting the nomination for a
seat in the Lower House of the next
General Assembly of Kentucky, by
the unanimous vote of my party
in convention assembled, I am indeed
grateful for the expression of con-
fidence reposed in me; the more so,
because the nomination comes to me
entirely unsought, and I feel also an
endorsement of my course in the
House as your member in the session
of 1902.

I speak from experience when I
say, that in undertaking to serve
you, if elected, that I will do so at
a sacrifice to my professional and
business interests; but as the banner
has been placed in my hands I shall
do every thing honorable within my
power to carry it to victory.

I feel that my experience as your
member one term and three terms as
clerk of the House qualifies me, to
some extent, to make you a more ef-
ficient Representative, than when I
first served you without any knowl-
edge whatever of practical legislative
work.

If you honor me again I shall
strive to make you an honest and
faithful member; striving to make
laws fair and equitable alike to all.
And endeavor at all times to reflect
the will of my people on all ques-
tions of public interest.

I shall stand for temperance and
sobriety.

I shall stand for a law that will
stop "blind tiger" and "boot leg-
ger" from invading our territory,
which by our votes we have said
shall be dry, and vending his vile
poison to our youth, thereby disturb-
ing the peace and tranquility of
neighborhoods, and religious and
other lawful assemblies, even if it
takes the prison stripes to do it.

I feel that the present Trustee

law and school system passed by the
last General assembly is unjust, un-
fair and unsuited to the requirements
of our people; therefore, if elected I
shall vote and work for its repeal.

I stand for laws that shall be re-
spected by all classes alike; believing
that law and order can only be main-
tained by a fair and impartial ad-
ministration of the laws of the land.

If you can give me your support,
I shall appreciate it, and endeavor
to give you no cause for regret at
having done so.

I am your obedient servant,

MARION F. POGUE.

Disgraceful Affair at Frankfort.

Frankfort, Ky., Sept. 4.—In a
brawl followed by the most terrific
riot ever known in this city between
militiamen and civilians, Sergeant
Ingram Tate, of Somerset, Ky., of
Company G, Kentucky state guards,
and Jeff Cook, a civilian, were killed
and William Nichols, Joe Conway
and Alex McNally were probably
fatally wounded.

The riot began in the Paradise
saloon in the "Tenderloin" section.
Private Wm. Phillips and C. E.
Toadvine, of Company G, who were
standing near Tate when he was
killed, identified Joe Nichols, who is
under arrest with eighteen others
as the man who fired the shot that
killed Tate.

The house was almost shot to
pieces by the troops in their efforts
to gain an entrance to lynch the man
suspected of killing their comrade.

For more than an hour eighteen
men held the fort against the reg-
iment. As the shooting continued
the residents in that section retreated
to the cellars for safety.

Every person who attempted to

leave the neighborhood was halted
with bayonets in an endeavor to find
the men who started the riot.

Col. J. E. Allen, commanding the
Second Regiment, County Judge
James H. Polsgrove and Chief of po-
lice Mangin accompanied by soldiers
searched the building. They found
the men huddled in the top story.
They were taken to the jail, which
is being guarded by soldiers to pre-
vent a lynching.

Taylor & Cannan, composing one
of the most progressive dry goods
stores in Crittenden county, have returned from the mar-
kets and their immense line of fall
and winter goods are now rapidly
coming in. The row of boxes already
emptied and stacked up outside from
the recent shipments, measures forty
feet long and seven feet high. This
gives the public some idea as to how
they bought goods this time, and
new shipments being received every
day. This big store is full up stairs
and down and with the freshest and
most carefully selected stock to be
found any where.

Senator P. S. Maxwell Returned

Senator P. S. Maxwell has returned
from a several weeks visit to his
niece and nephew at Ardmore, Okla.
and looking much rested and im-
proved from his short sojourn in
the great West. Senator Maxwell
said he found everybody in fine spirits
in that growing western town and as
a whole, was very much pleased with
his trip.

MARION GRADED SCHOOL OP- ENED MONDAY

With Good Attendance—Opening Ex-
ercises were Conducted by Rev.
Johnson of the Southern
Presbyterian Church

Marion Graded School opened
Monday morning with a good en-
rollment. The opening exercises
were conducted by Rev. Thomas C.
Johnson of the Southern Presbyte-
rian church, who, after some soul-
stirring songs by the High School
girls, made a very appropriate talk
to the children and their parents.

Prof John P. King made a splen-
did talk to his pupils, their parents
and to the teachers. His talk was
wholesome and if adhered to will
make a good school anywhere. Before
closing his talk he said he believed
as a charity game of ball was to be
played in the evening for the bene-
fit of a deserving young man who
had been afflicted with typhoid fever
for more than 80 days, that it
would be proper to have no school
in the evening in order that all
might have a chance to aid in swell-
ing the fund. Rev. Dr. Johnson
said that was right and that he
thought the children should have
also a half holiday on Friday for the
big show, which met with hearty
applause from every one of the five
hundred children present.

The deep interest shown in the
school was the great number of the
patrons present and all in a cheerful
mood. Prof. King has the school
well organized and in good working
order, with efficient teachers and
every teacher at his or her place.

The Street Parade.

The great street parade of the
great Robinson shows will take
place at 10 o'clock today and will
pass by the school for the sole ben-
efit of the children.

T. J. Yandell Home Again.

Mr. T. J. Yandell, the popular
Cashier of the Marion Bank, returned
Tuesday from Evansville, Indiana,
where he had been for the past week
recuperating his health. During his
absence his position was alternately
filled by Pres. Jno. W. Blue and H.
K. Woods. Mr. Yandell is looking
well and says he feels his trip to
have done him a world of good.

Henry Stone pays cash for his
goods and sells them the same way.
It is the best way. Try him and
you will be convinced.

N. P. Taylor For Mayor of Henderson

Hon. N. Powell Taylor has been
nominated by the citizens of Hen-
derson for Mayor and if elected, will
make the flagrant law breaker hard
to catch. He has served for a
number of years as county attorney
and it is safe to say the county never
had a better one.

Tom Clifton Very Low.

The condition of Mr. Tom Clifton,
who was stricken with paralysis last
Saturday, is yet very critical—in
fact, no change for the better. He
is yet unable to move and is still
speechless. He is in a pitiable con-
dition and his good wife, with her
three little ones, has the sympathy
of the entire town.

If you are looking for bargains
and want the best to be had, go to
Henry Stone. He has the best all
around stock of dry goods and shoes
to be found anywhere and is selling
them at a great reduction.

Miss Clara Nunn Announces.

Having been requested by friends of all parties to make the race for county Superintendent of Schools for Crittenden county. I have decided to announce myself as a candidate for that office and respectfully solicit the support of the people of Crittenden county, at the Nov. election, 1909.

BLASPHEMING CHRIST.

The two words, LIQUOR INTEREST, form a sentence coined and promulgated by Yankee fakirs and grafters of the sanctimonious stripe. This "sentence," used as it is in America, forms a slogan for the use of rascality when urging fools to vote for "prohibition." And not satisfied with one audacious crime, they commit another by forging the name of Christ to their counterfeit. Christ turned water into wine, it is so recorded in scripture.

Christ partook of a banquet, given to Him by a "publican" (saloon-keeper), it is so recorded in scripture. There is the evidence!

Are not these infamous prohibition liars and hypocrites "blaspheming" the name of Christ? Oh "sentence"—LIQUOR INTEREST, as used by probi fakirs and grafters, is a misnomer; or, in other words, a falsification. We never hear these contemptible falsifiers talk about the "Bread Interest," or the "Meat Interest," or the "Vegetable Interest," and yet these three interests are essential allies, used at the dining table in conjunction with each other in all "Christian" countries.

It is not a "moral wave" that is sweeping the country in the name of "prohibition"; it is the "wave of hypocrisy" prostituting the banner of Christ. Would to God there was a "moral wave"; we need it bad enough in order to check the imposture and hypocrisy of "prohibition." There are many Christian preachers, thank God, who are standing true to the "Christian doctrine," which is "temperance, not "prohibition."—The Patriarch.

The above was reprinted by the

so called Journal of Labor at Louisville, Ky., and is about as near sacrilege as we ever read and for argument, a school boy could have produced better.

This man, it is plain to see is advocating or championing the whisky interests for the money that is in it and not for the good of the laboring people he claims to represent. Even the laboring people do not believe as he claims too or there would not be a dry county where strong labor organizations exist. He has been raised up to use the word "scab" until he knows nothing else and very little of that. If he was a gentleman or had ever been, he would have never reprinted such rot. If the people who advocate the extermination of the liquor tariff are hypocrites, they are in a large majority and will never burn in the everlasting hell, that is as surely prepared for his type as his filthy tongue is not fit to be heard even by the sea or the sky. All men find in his name is that he is trying to teach the proud people of Kentucky the definition of "scab" and how to drink liquor. One thing for sure, is, that the laboring people do not agree with him and the goner they get rid of all such grafters the better for them.

The following is another of his paid articles:

PROHIBITION AS A BREEDER OF RANK HYPOCRISY.

The following story is told by an Episcopal Clergyman, in the Baltimore Labor - Trades August 21st, 1909, which shows the effect of prohibition as a breeder of rank hypocrisy: About four years ago, shortly after a certain town on Long Island went "dry", a hotel keeper in this town received a letter from a wholesale whisky concern in Kentucky, reading something like this: "Will you kindly send us the names of any persons in your town who, you think, might be likely to purchase wet goods. We have a very fine brand of whisky (naming the brand) that we should like to introduce in your town. We shall be glad to extend to you the usual courtesy of 10 per cent, commission on all sales that we may make through the list you send us." Well, the hotel man thought he would have a little fun, and so he made a list of about 25 of the most rabid prohibitionists in the place and sent the list to the whisky firm. He thought it would be a fine joke on the prohibitionists to have them deluged with whisky circulars. And it turned out to be a better joke than he thought. For, at the end of three months he received a letter from the whisky people thanking him for what he had done and inclosing a check for \$27.00 commission. This story throws light on the curious circumstances already referred to, that as the prohibition movement spreads, the consumption of liquor increases.

Now if there be one word of truth in the above why do these scoundrels object to prohibition? Every time you hear a man argue this you know just how much of it to believe. It the people are drinking more whisky

under the prohibition laws why are such cattle as the author of the above against it? He says prohibition makes liars of the people but fails to add that whisky makes drunkards of them. Hell is full of such as he and will be fuller.

Circuit Court convened in the city of Henderson on last Monday with Hon J. W. Hanson presiding.

Presumably this will prove the most noted session in Judge Hanson's experience as circuit judge, as there are no murder cases docketed besides the charges of murder, the robberies and other violations of the statutes, and when his court is adjourned it is to be hoped that a just punishment will have been meted out to those deserving it.

The American flag to be seen waving proudly from its perch at the north pole is now for a certainty, the most highly recognized flag of God has so abundantly and unspargingly blessed our nation as that of Abraham, making it the greatest in the world, let us appreciate it to the extent that we do nothing to bring His curse upon us. Other great nations have done this, and we could. But will we? God forbid.

At Bowling Green, Kentucky, the Board of Regents of the Western Kentucky State Normal School, awarded contract to Jacob Bornstein, of 643 Third St., Louisville, Ky., for the erection of the administration building previously mentioned, one story, brick and stone, approximately 100 x 150 feet; 50 feet high; electric lighting, vacuum cleaning and to cost \$116,100. The plans were by Brinton B. Davis, of Louisville.

Ashland Ky., has plans for improvements, including 44,860 square yards paving, 24,490 linear feet combined curb and gutter, with catch basins, and 4,000 linear feet concrete header.

At Lexington, Fayette county, a contract has been let to James Doan for three miles of macadamized, Kearney road, at \$2,500 per mile.

Let's try to have a few miles of this kind of road built in Crittenden county.

The six recent murders in Henderson have opened the eyes of her citizens to their lawless condition to the extent that they have gone to work in a general clean-up, and it is to be hoped they will do it.

The Illinois Central Railroad have begun the erection of a new depot where the old one was burned a few months ago at Louisville.

Maysville Ky., has awarded the contract to Thomas Evans, of Cincinnati, Ohio, for additional sidewalks.

Central City has contracted with R. L. Hendricks for a \$21,940 school building.

Madisonville is constructing a sanitary sewerage system.

Horse Show to be Held at Louisville, October 11th.

Announcement comes from Louisville to the effect that the Louisville Horse Show will be held this year during the week of October 11th. It will be held in the First Regiment Armory, which is unsurpassed as a show place for horses. The prize list has been completed, and the amount to be awarded will run well over \$12,000. The horsemen of the State and the country at large, who regard the Louisville show as the equal of any in the country, will have something worth while to contest for this fall.

Kentucky saddle horses are as famous as Kentucky thorough-breds, and the Louisville show has always made a large place for them. This year there will be many classes for both the three-railed and five-railed saddlers, and they promise to be unusually well filled. The best that have been developed during the fair season and at the State Fair will be shown, and real championships will be awarded. Mat Cohen, the Bell Bros., the Gay Bros., Lawrence Jones and others who own blue-blooded saddle horses will be among the exhibitors.

National attention was attracted to the Louisville show last fall by the fact that Judge W. H. Moore, conceded to have the finest stable of show horses in the country, was an exhibitor, and by the exhibitions of four-in-hands by Alfred G. Vanderbilt. Both will be back in October, reinforced by Reginald Vanderbilt, C. W. Watson, Miss Daily Bedford, J. W. Harriman and other owners of show horses that are famous on both sides of the ocean.

Notice To Tax Payers.

We have been making our regular appointments for the purpose of receipting for taxes, and I am sorry to say, with but poor success. After riding twelve or fifteen miles and spend the entire day and received not a dollar. Now I certainly would hate to be forced to make levies and sales in order to get the taxes due the State and county, but I will do so for I must have the money in order to meet my settlement. I hope you will, one and all, appreciate my condition and get ready and pay your taxes right away. I want the taxes by Nov. 1st, 1909. After that date we will levy as we go. Please take warning.

PROOF IN MARION.

Should Be Decisively More Convincing to Marion People Than Testimony from Other Strangers.

The statement which follows, like all that have preceded it on this subject, is from Marion. It is not from some distant corner of the Union. Marion people cannot dispute testimony like this.

Thomas L. Hilliard, Railroad St. Marion, Ky., says: "Don's Kidney Pills came to my relief after I had suffered a great deal and had spent much money for medicine without receiving any benefit. Two years ago I was taken with an attack of typhoid fever and upon recovering found that my kidneys were badly disordered. The pains in my back were so severe that frequently I had to leave my work and lie down for several hours. There was a constant desire to pass the kidney secretions and on this account I was obliged to arise several times during the night. The secretions were highly colored and the passages were attended with pain. I often became dizzy and saw specks floating before my eyes. A relative, hearing about my condition, advised me to give Don's Kidney Pills a trial. I procured a supply at Hayes & Taylor's drug store and they cured me in less than two months. For over two years I have had no return of my old complaint. I am bound to look upon my cure as a permanent one."

Gen. J. M. Shackelford Near Death.

Louisville, Ky., Sept. 4.—Death of Gen. James M. Shackelford, one of the most illustrious figures of the civil war, a native of Kentucky and the captor of Gen. John Morgan is likely to occur at any moment. Gen. Shackelford was born in Union county, Ky., on July 7, 1834. He was the son of Edmund and Susan Shackelford. After receiving academic education at Springfield, Ky., and graduating in law elsewhere, he was admitted to the bar in 1854. Previously he had his share in the Mexican war, married Miss Henrietta Ross, Madisonville, Ky., Owensboro, Ky., and

Gen. Shackelford was well known in Union county and in command of the Federal forces at the never forgotten battle of Geigers, nearly opposite Shawneetown, where he was wounded in the back and troops routed, swimming the lake and throwing their arms away, some of them being taken from the lake even to the present day. The writer, then but a boy, witnessed his retreat and will never forget it. They were times never forgotten. Gen. Shackelford was known as a great and fearless warrior and we are sorry to hear that he is about to pass away. These great war veterans are answering the roll call only too fast.

Crittenden county. I have decided
to announce myself as a candidate for
that office and respectfully solicit the
support of the people of Crittenden
county, at the Nov. election, 1909.
CLARA NUNN.

BLASPHEMING CHRIST.

The two words, LIQUOR INTER-
ESTS, form a sentence coined and
promulgated by Yankee fakirs and
grafters of the sanctimonious
stripe. This "sentence," used as
it is in America, forms a slogan for
the use of rascality when urging fools
to vote for "prohibition." And not
satisfied with one audacious crime,
they commit another by forging the
name of Christ to their counterfeit.
Christ turned water into wine, it is
so recorded in scripture.

Christ partook of a banquet, given
to Him by a "publican" (saloon-
keeper), it is so recorded in scripture.
There is the evidence!

Are not these infamous prohibi-
tion liars and hypocrites "blasphem-
ing" the name of Christ? The
"sentence" "LIQUOR INTER-
ESTS," as used by probi fakirs and
grafters, is a misnomer; or, in other
words, a falsification. We never
hear these contemptible falsifiers
talk about the "Bread Interest," or
the "Meat Interest," or the "Vege-
table Interest," and yet these three
interests are essential allies, used at
the dining table in conjunction with
each other in all "Christian coun-
tries."

It is not a "moral wave" that is
sweeping the country in the name of
"prohibition"; it is the "wave" of
hypocrisy prostituting the banner
of Christ. Would to God there was
a "moral wave"; we need it bad
enough in order to check the impos-
ture and hypocrisy of "prohibition."
There are many Christian preachers,
thank God, who are standing true to
the "Christian doctrine," which is
"temperance, not "prohibition."—
The Patriarch.

The above was reprinted by the

so called Journal of Labor at Louis-
ville, Ky., and is about as near
sacrilege as we ever read: and for
argument, a school boy could have
produced better.

This man, it is plain to see is ad-
vocating or championing the whisky
interests for the money that is in it
and not for the good of the laboring
people he claims to represent. Even
the laboring people do not believe as
he claims too or there would not be
a dry county where strong labor
organizations exist. He has been
raised up to use the word "scab"
until he knows nothing else and very
little of that. If he was a gentle-
man or had ever been, he would have
never reprinted such rot. If the
people who advocate the extermina-
tion of the liquor tariff are hypocrites,
they are in a large majority and will
never burn in the everlasting hell,
that is as surely prepared for his
type as his filthy tongue is not fit to
be heard even by the ass or the ox.
About all you find in his paper is
that he is trying to teach the proud
people of Kentucky the definition of
"scab" and how to drink liquor.
One thing for sure, is, that the la-
boring people do not agree with him
and the sooner they get rid of all
such grafters the better for them.

The following is another of his
paid articles:

PROHIBITION AS A BREEDER OF RANK
HYPOCRISY.

The following story is told by an
Episcopal Clergyman, in the Balti-
more Labor - Trades August 21st,
1909, which shows the effect of
prohibition as a breeder of rank hypocri-
sy: About four years ago, shortly
after a certain town on Long Island
went "dry," a hotel keeper in this
town received a letter from a whole-
sale whisky concern in Kentucky,
reading something like this: "Will
you kindly send us the names of any
persons in your town who, you think,
might be likely to purchase wet
goods. We have a very fine brand
of whisky (naming the brand) that
we should like to introduce in your
town. We shall be glad to extend
to you the usual courtesy of 10 per
cent, commission on all sales that we
may make through the list you send
us." Well, the hotel man thought
he would have a little fun, and so he
made a list of about 35 of the most
rabid prohibitionists in the place and
sent the list to the whisky firm. He
thought it would be a fine joke on
the prohibitionists to have them deluged
with whisky circulars. And it
turned out to be a better joke than
he thought. For, at the end of three
months he received a letter from the
whisky people thanking him for
what he had done and inclosing a
check for \$27.00 commission. This
story throws light on the curious
circumstances already referred to,
that as the prohibition movement
spreads, the consumption of liquor
increases.

Now if there be one word of truth
in the above why do these scoundrels
object to prohibition? Every time
you hear a man argue this you know
just how much of it to believe. It
the people are drinking more whisky

under the prohibition laws why are
such cattle as the author of the above
against it? He says prohibition
makes liars of the people but fails to
add that whisky makes drunkards of
them. Hell is full of such as he and
will be fuller.

Circuit Court convened in the city
of Henderson on last Monday with
Hon J. W. Henson presiding.

Presumably this will prove the
most noted session in Judge Hensons
experience as circuit judge, as there
are six murder cases docketed besides
the attempts at murder, the robberies
and other violations of the statutes,
and when his court is adjourned it is
to be hoped that a just punishment
will have been meted out to those
deserving it.

The American flag to be seen wav-
ing proudly from its perch at the
north pole is now for a certainty,
the most highly recognized flag of
the world. And since
God has so abundantly and unspar-
ingly blessed our nation as that of
Abraham, making it the greatest in
the world, let us appreciate it to the
extent that we do nothing to bring
His curse upon us. Other great na-
tions have done this, and we could.
But will we? God forbid.

At Bowling Green, Kentucky,
the Board of Regents of the Western
Kentucky State Normal School,
awarded contract to Jacob Bornstein,
of 643 Third St., Louisville, Ky.,
for the erection of the administration
building previously mentioned; one
story; brick and stone; approximately
100 x 150 feet; 50 feet high; elec-
tric lighting; vacuum cleaning and
to cost \$116,100. The plans were
by Brinton B. Davis, of Louisville.

Ashland Ky., has plans for im-
provements, including 44,860 square
yards paving, 24,490 linear feet com-
bined curb and gutter, with catch
basin, and 4,000 linear feet concrete
header.

At Lexington, Fayette county, a
contract has been let to James Dolan
for three miles of macadamized,
Kearney road, at \$2,500 per mile.
Let's try to have a few miles of
this kind of road built in Crittenden
county.

extent that they have gone to work
in a general clean-up, and it is to
be hoped they will do it.

Horse Show to be Held at
Louisville, October 11th.

Announcement comes from Louis-
ville to the effect that the Louisville
Horse Show will be held this year
during the week of October 11th.
It will be held in the First Regiment
Armory, which is unsurpassed as a
show place for horses. The prize-
list has been completed, and the
amounts to be awarded will run well
over \$12,000. The horsemen of the
State and the country at large, who
regard the Louisville show as the
equal of any in the country, will
have something worth while to con-
test for this fall.

Kentucky saddle horses are as
famous as Kentucky thorough-breds,
and the Louisville show has always
made a large place for them. This
year there will be many classes for
both the three-gaited and five-gaited
saddlers, and they promise to be un-
usually well filled. The best tha
have been developed during the fair
season and at the State Fair will be
shown, and real championships will
be awarded. Mat Cohen, the Bell
Bros., the Gay Bros., Lawrence
Jones and others who own blue-
blooded saddle horses will be among
the exhibitors.

National attention was attracted to
the Louisville show last fall by the
fact that Judge W. H. Moore, con-
ceded to have the finest stable of
show horses in the country, was an
exhibitor, and by the exhibitions of
four-in-hands by Alfred G. Vander-
bilt. Both will be back in October,
reinforced by Reginald Vanderbilt,
C. W. Watson, Miss Daily Bedford,
J. W. Harriman and other owners of
show horses that are famous on both
sides of the ocean.

Notice To Tax Payers.

We have been making our regular
appointments for the purpose of re-
ceipting for taxes, and I am sorry to
say, with but poor success. After
riding twelve or fifteen miles and
spend the entire day and received
not a dollar. Now I certainly would
hate to be forced to make levies and
sales in order to get the taxes due
the State and county, but I will do so
for I must have the money in order
to meet my settlement. I hope you
will, one and all, appreciate my con-
dition and get ready and pay your
taxes right away. I want the taxes
by Nov. 1st, 1909. After that date
we will levy as we go. Please take
warning.
Yours Truly,

PROOF IN MARION.

Should Be Decidedly More Convinc-
ing to Marion People Than
Testimony from Utter
Strangers.

The statement which follows, like
all that have preceded it on this sub-
ject, is from Marion. It is not from
some distant corner of the Union.
Marion people cannot dispute testi-
mony like this:

Thomas L. Hilliard, Railroad St.
Marion, Ky., says: "Doan's Kidney
Pills came to my relief after I had
suffered a great deal and had spent
much money for medicine without
receiving any benefit. Two years ago
I was taken with an attack of ty-
phoid fever and upon recovering
found that my kidneys were badly
disordered. The pains in my back
were so severe that frequently I had
to leave my work and lie down for
several hours. There was a con-
stant desire to pass the kidney se-
cretions and on this account I was
obliged to arise several times dur-
ing the night. The secretions were
highly colored and the passages
were attended with pain. I often
became dizzy and saw specks floating
before my eyes. A relative, hearing
about my condition, advised me to
give Doan's Kidney Pills a trial. I
procured a supply at Haynes & Tay-
lor's drug store and they cured me
in less than two months. For over
two years I have had no return of
my old complaint. I am bound to
look upon my cure as a permanent
one."

cents. Foster-Milburn Co., Buffalo,

Gen. J. M. Shackelford Near Dead

Louisville, Ky., Sept. 4.—
The death of Gen. James M. Shackelford,
one of the most illustrious figures
of the civil war, a native of Kentu-
cky and the captor of Gen. John Mor-
gan is likely to occur at any moment
Gratiot Beach, in Michigan.

Gen. Shackelford was born in L-
coln county, Ky., on July 7, 1818.
He was the son of Edmund and
San Shackelford. After receiving
academic education at Spring-
field, Ky., and graduating in law from
thereafter, he was admitted to
bar in 1854. Previously he had
his spurs in the Mexican war,
married Miss Henrietta Ross,
Madisonville, Ky., Owensboro
Quirer.

Gen. Shackelford was well known
in Union county and in command
of the Federal forces at the never to
be forgotten battle of Geigers La-
nearby opposite Shawneetown,
where he was wounded in the
heel and troops routed, swim-
ing the lake and throwing their
away, some of them being fur-
from the lake even to the pres-
day. The writer, then but a boy,
witnessed his retreat and will ne-
forget it. They were times never
be forgotten. Gen. Shackelford
known as a great and fearless
and we are sorry to hear that he
about to pass away. These great
war veterans are answering the
roll call only too fast.

The Crittenden County Sabbath School Convention was held on last Monday and Tuesday in the Chapel of the Graded School building and while there was no large crowd in attendance, it proved a success for what it was called; the promotion of the Sunday Schools. While waiting for the street parade of the great John Robinson show today, take a look at the big shoe display in the nicely trimmed show windows of the Yandell Gugenheim Company.

Don't go to the show to take the children and then leave the children at home, but take them, and when Sunday comes take them to Sunday school with just as much pleasure. There is nothing wrong in either. It costs you something to visit Jno. Robinson's show and it need cost you nothing to go to the latter.

Sunday School Convention.

The Crittenden County Sabbath School Convention was held on last Monday and Tuesday in the Chapel of the Graded School building and while there was no large crowd in attendance, it proved a success for what it was called; the promotion of the Sunday Schools. It was a successful coming together of laborers in God's vineyard. The report from the Secretary failed to reach us and as we trusted them for this, the report is therefore very meager. The officers elected for the ensuing year are;

Pres., Ed F. Dean, Vice Pres., Rev. J. W. Flynn, County Secy., Jas. Alex Hill, Supt., Elementary Dept., Mrs. H. K. Wood, Supt., Intermediate Dept., H. D. Pollard, Supt., Adult Dept., R. L. Moore, Supt. Visitation Dept., Mrs. G. M. Crider, Supt. Organization Dept., Miss Nellie Walker, Supt. Educational Dept., J. R. Gloss.

\$5.00 In Cash.

Commencing Saturday, Aug. 28th, I will give a ticket for every one dollar purchase, or the same paid on account, entitling holder to a chance to win the \$5.00 cash prize to be given away every other Saturday. Remember this applies to cash on account as well as cash purchases.

The Crime of Idleness.

Idleness means trouble foran one. Its the same with a lazy liver. It causes constipation, headache, jaundice, sallow complexion pimples and blotches, loss of appetite nausea, but Dr. King's New Life Pills soon banish liver troubles and build up your health. 25 cents at Jas. H. Orme's and Haynes & Taylor's drug stores.

A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts. He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh. It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs. Constipation is the most unclean uncleanness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take as candy.

Old Folks' Livers

need an occasional stirring up to keep them from being constipated, bilious and generally run down. At the same time, the laxative must not be so violent as to shock the system and cause sinking and sickness.

Nature's Remedy
NR-TABLETS-NR

is the ideal treatment for old folks' livers—never fails to act, yet never shocks. A tonic as well as a laxative. Best for constipation, rheumatism, biliousness—any and all troubles of liver, stomach and bowels. Take an NR tablet to night—you'll feel better in the morning.
